Electronic soul, tasteful feeling

Crafted For Every Taste

The perfect balance between performance and functionality

When designing our new grinder, we have put all of background as a professional coffee machine manufacturer. Thus, Pulse was born not only to perfectly suit our espresso coffee machines, but to introduce a perfect balance between performance and functionality within the grinding process:

- High speed grinder
- 65 and 75 mm Crem Tech™ design flat burrs
- Step less micrometric grinding adjustment
- High resolution display

High performance grinding system
